Meet your Youth Coaches

Hi! My name is Lea Bergman. I played 4 years of Varsity tennis for Laramie High School and was on the only Laramie girls tennis team to ever win a State Championship. I played for the University of Wyoming Club Tennis Team, where I was secretary for two years and President for two years. I've coached Laramie High School tennis for the last 3 years, and coached in our UWYO NJTL program which began in 2014 when I won the Arthur Ashe Essay Contest and a trip to the US Open. I am certified as a tennis instructor through the USPTR. I graduated this semester with my BA in Theater and plan on attending graduate school in Sports Psychology next fall. I am super excited for the opportunity to continue to coach youth tennis.
