

## UWYO NJTL IS BACK FOR **SPRING 2020!**

*Sessions will run this semester on **Wednesdays 4:00-5:00 pm**  
University of Wyoming Indoor Tennis Facility*

What is NJTL? The Alpine Tennis Association (ATA) in collaboration with USTA WY started a **National Junior Tennis & Learning** (NJTL) chapter at the University of Wyoming in 2014. NJTL was started in 1969 by tennis legend Arthur Ashe and is a program that incorporates tennis, education, and life skills to make youth successful both on and off the court.

**This is a FREE program.** For youth 5 years and up to 16: come join us at the UW Indoor Tennis Facility. We will provide all materials, including Net Generation tennis equipment. Older and more advanced players can bring their own racket if they have one.

**Come dressed to play tennis (sneakers, please!!!) and bring a water bottle.**

***IMPORTANT: The UW minors on campus policy asks for specific registration/release forms. Please email Annie Bergman if you would like to complete them before your child attends his/her first session. Otherwise, parents must come into the building and sign registration/release at first attendance.***

***IF YOU FILLED OUT THESE FORMS IN FALL, THEY ARE VALID FOR SPRING 2020.***

**MARCH 4, 11, 25 (no NJTL on March 18<sup>th</sup>)**
